712 West Main, Lewistown, MT 54957, 406-535-3919, scan and send to fergus4h@montana.edu

This form may be completed by:

- 1) Any 4-H Member- members may nominate themselves or nominate each other
- 2) Any 4-H Leader- leaders may nominate any member
- 3) Any 4-H Parent- parents may nominate their own children or other members

Name of person being nominated _____

Check the following areas in which you are nominating this person (use a separate form for additional areas)

- Project Work _____ (please indicate the project)
- Project Work _____ (please indicate the project)
- Project Work _____ (please indicate the project)
- Project Work _____ (please indicate the project)
- 4-H Club Officer _____ (please indicate office)
- Community Service
- Leadership
- Overall 4-H Achievement- **only for member 14 and older.**

Age on October 1, 2017 Club _____

Award nomination indicates outstanding work in a 4-H project, community service, leadership or as a 4-H Club Officer. This means that a member was above average for their age and their number of years in a project or activity with their 4-H work. They challenged themselves by learning new things, trying new techniques, sharing their skills and knowledge with others, leading a project or activity, working hard and showing self-initiative and a willingness to serve in their club. The overall Achievement nomination is meant for older members that have excelled in all of these areas over a period of time.

Please use the space below to explain why you are nominating this member for the awards indicated.

Name of person making this nomination _____

Members nominated for awards will be notified and sent a “Accept/Decline” form that they will return to the Extension Office by October 1. Round Table Discussion Groups for selection of award winner will be held Sunday, October 14. There are options for absentee participation if a member cannot attend on Oct 14.
