

4-H Council Meeting Minutes May 17, 2006

Those in attendance were Jackie Urick, Kim Vincent, Heather Dye, and Kristi Christensen.

The Spring Judging is set for June 8th. If Janna, the new agent, is able to conduct QA training, it will be held in conjunction with the judging.

There are some problems with the scale. It doesn't lock on to any weight less than 175 lbs. There was discussion about purchasing a new/used small scale.

Demonstration Day was reviewed. This year we had a Junior Leader serve as a third judge on each panel. Most people appreciated and loved the idea. There may be a few wrinkles to iron out if it is done again next year.

The Fair Board decided that the Livestock Superintendents would also be the Round Robin Committee this year.

Fair Entries - June 1st is the deadline for the Central Montana Fair

Buckles and Trophies for Grand Champion Market Animals - All three species winners will now get both thanks to generous donators of buckles.

Fair Market Sale - Time was moved from 2:00 to 2:30 to allow more time for the Round Robin Competition. The Fair Board made the decision and the Council discussed with general consensus.

Fair Book Text was reviewed and approved.

Meeting was adjourned.
