Call to Order – Trevor

Pledges

Minutes of January meeting – Trevor

Treasurer's Report – Dawn

CD - \$5801.99

Awards – \$956.38

Savings - \$26042.22

Checking - \$14109.40

Reports –

Winter Project Day – Dawn Atchley

Had a good turn out, about 30 kids. Several adults for the Certification with Nori.

Cooking Activities – Adele Vincent

First one was marshmallow cookies, second one was freezer and regular jam next one is March 10th and making biscuits and trying the jam from previous session.

Concessions Meeting – Thursday, March 11th at 5:30 in Nori office. Working out schedule and seeing about having big clubs having more than one shift; Maybe shorter shifts and having kids work with other clubs to meet new people.

Shooting Sports Leader Meeting – March 24th at 6:00 pm at Extension office.

Discussing meeting places and splitting up as there are a lot of kids and they get bored having to wait so losing some interest.

Ambassadors Meeting – next meeting March 29th at 6:30 at Extension office. They have an Officer Training Program they can present to clubs if interested.

State 4-H College Scholarships – Applications due April 1st. Separate from our local scholarship.

Final Quality Assurance – Scheduled for April 17th. Same weekend as Rec Lab which may hinder some older kids being able to go to Rec lab as list looks like a lot of older kids.

Swine & Sheep Weigh in – May 1st 9:00 am at fair grounds. There will be a “top weight” for all market animals so buyers aren't getting over finished products. If animal goes over weight they will not be able to sell at sale.

Discussed having Interview Judging on Market animals this year as a way to see if Quality Assurance information is getting through to members.

Michaela Blevins made a motion to implement Interview Judging for all market and Breeding projects as a requirement and it is mandatory to be able to sell. Madisen second the motion.

Old Business:

Rec Lab April 16th to 18th in Corvallis. Same weekend as last Quality Assurance.

IFYE delegate – Will be here April 13th and is available to do presentation, contact Nori to set up.

New Business:

Ronan Round up- Jan Lake Scheduled for July 8th and suggested French dip sandwiches this year. Adele Vincent made a motion to do the Round Up again this year on July 8th and split cost of supplies with Fair Board and Market Committee, Danielle Heffner Second motion.

Community Service Project – Adele Vincent Suggested a community service project helping with the Relay for Life. There is a Survivors Reception Dinner that is just snack type food. People can offer to bring cookies and goodies and only need a few bodies to help set up, serve and take down. Could be a cooking workshop incorporated into it. They will let us put up a banner. Trevor suggested sending out a post card to see how much support there will be from kids before committing to it.

Other Business:

Dog project – Jan Lake & Jan Thinglestad Dog project wants to add “Rally” as a class for the fair. It is like a trail course. They are not sure about doing agility because equipment is in poor shape. Will possibly order another fence so they can run two areas during dog show. Possibly equipment can be made for the agility class by Dave Edington but haven’t heard from him yet.

Jan Lake made a motion to have a new dog class entered in the fair book. Rally broken down by Novice, Jr. and Sr. age groups. Novice is first year dog project only. Marissa second.

The dog fence is about \$700 and they have about \$600 but will try to do another fund raiser before next meeting and if need help will bring up at next meeting.

First Dog meeting will be April 1st at Cenex. Dr. Tyler coming to do a presentation. Then will meet on Thursday s at 6:00. Hoping to get kids and dogs ready to be able to attend state dog show in May.

Sheep sheering: Will be able to have one around June 15th and another around July 22nd at cost of \$8.00 per shear.

Marissa made a motion to adjourn and Madison Second.
