

# Pack a Snack Box

Use a snack box to help you and your family choose healthy snacks. Snack boxes help your children choose a variety of foods for after-school snacks. Parents or adults choose what goes in the box and children choose what they would like to eat from the box.

## Here's three easy steps:

1. Have two snack boxes: one for the refrigerator and one for the cupboard.
2. Figure how many snacks you need for one week. Make a list of foods to include in the snack box. Include a variety of foods that are crunchy, chewy, creamy and juicy.
3. Each week, add snack foods to the boxes. Family members can choose a snack from the snack box for on the way to school, after school, after work or in the evening.

## Think about what you drink

- Drink water often, but limit vitamin/flavored water - they are expensive and may have sugar
- Choose low-fat milk - children need 3 cups of milk each day
- Choose 100% juice
- Limit high-sugar juice drinks, sports drinks, energy drinks and soda

## Low-cost snacks

Buy large portions of these foods and put them in small servings in the snack box:

### Grains

- Whole-grain, baked crackers
- Graham crackers
- Pretzels
- Whole-grain cereal

### Fruit

- Canned fruit
- Applesauce
- Dried fruit
- Raisins

### Vegetables

- Baby carrots or other veggies

### Milk

- Cheese
