

Dear Counties and Shooting Sports Leaders and Families,

I want to remind you all of the upcoming Shooting Sports Leader Training scheduled for April 6-7, 2018 in Billings. Please see the attached agenda, registration, and Pre-Test Quiz. The deadline for registration is **March 28, 2018**.

The registration fee is \$60 for adults and \$25 for teen leaders (teens may only assist a 4-H shooting sports program if under the direct supervision of a trained and certified 4-H shooting sports adult leader of the same shooting discipline).

Please note that leaders must be trained before they can serve as 4-H Shooting Sports key leaders in a county program in addition to general 4-H leader application procedures. Assistants do not need training, but must work under a trained leader who is present and involved anytime shooting occurs

Please present the registration form to you County Agent for a signature before mailing them in.

Complete information will be sent to registrants as the dates approach including meeting locations.

I also would like to provide some more opportunities for Shooting Sports Leader Trainings. They are held in the state of Idaho and are put on by the Idaho 4-H Center for Youth Development. If you choose to attend, please make sure that you have been registered in your counties as leaders. When the training is completed, a verification of the training will be sent to me.
