

4H Livestock Quality Assurance Training

A Livestock Quality Assurance Training will be held on Thursday, July 13, 2017 at the Roosevelt County Fairgrounds in Culbertson, MT. The training will start at 4:30 pm and take approximately two hours. Livestock Quality Assurance is required training for all 4H participants showing livestock. The training is required once as a junior member (4H ages 8-13) and once as a senior member (4H ages 14 and above). The training will include safe animal handling, livestock health, administering vaccines and record keeping, nutrition, safe animal housing and more. Senior members who wish to receive their certification can volunteer to help conduct the training in lieu of taking the class, they need to contact the office at (406) 787-5312 by July 10, 2017 and will be required to be at the Fairgrounds at 4:00 pm on the 13th. A light dinner will be held after the training, and it would be appreciated if you could notify the office, by July 10th, if you are planning on attending.
