

January 2010

Seniors:

Enclosed you will find several scholarship applications. Please note the scholarship details and deadlines.

Please remember that you are to submit **four original copies of the** Boe Brothers Foundation Scholarship Application to the Teton County Extension Office no later than **Thursday, April 1, 2010.**

The Anne Wiprud Scholarship applications are due **March 1, 2010.** The scholarship has typically been in the amount of \$400.

Also, we would like to take this opportunity to stress to parents and students that while the senior year in high school seems like the main year to complete scholarships, there are many more available after the completion of the freshman year of college. We encourage all students to inquire at their colleges for additional scholarship opportunities as students continue with their education.

Sincerely,
