Extension Office**

The Anne Wiprud Scholarship applications are due Wednesday, February 28, 2012. The scholarship has typically been in the amount of \$400.

Anne Wiprud and Boe Brothers scholarship applications can be found online at: <http://www.msueextension.org/teton/Scholarships.html>

The MSU Teton County Extension Office encourages 4-H members to review other scholarship opportunities that can be found at <http://montana4h.org/#programs:3>. Recent graduates have been recipients of these statewide scholarships. Please be sure to review to see if you qualify.

Also, we would like to take this opportunity to stress to parents and students that while the senior year in high school seems like the main year to complete scholarships, there are many more available after the completion of the freshman year of college. We encourage all students to inquire at their colleges for additional scholarship opportunities as students continue with their education.

Sincerely,
