

Teton County 4-H Projects

Computers-Project Code 0731

This project can be tailor made with technology. Members should write goals for the project. Exhibits may include compilation of graphic arts, documents, presentation, etc.

Web Design-Project Code 0734

Learn about Internet and the World Wide Web. Exhibits may include notebooks, displays, designed websites.

Llamas/Alpacas 1-Project Code 0261

Llamas/Alpacas 2-Project Code 0262

Llamas/Alpacas 3-Project Code 0263

Llamas/Alpacas 4-Project code 0264

Llamas and alpacas may be leased or owned for use in the llama project. They are shown at fair in the large animal division. Members should also enhance their learning by completing reports, displays or other studies.

Clothing Decision Making-Project Code 0150

Clothing Decision Making uses "A Style of Your Own" project book to teach decision-making skills through clothing and accessory management. This learning is reinforced through community service projects.

Consumer Education-Project Code 0151

Consumer Economics-Project Code 0152

Adv. Consumer Economics-Project Code 0153

Through these projects, you will experience what it means to be a consumer through saving, spending and sharing. The influence of peer pressure, the power of advertising and the Web market are also introduced.

Financial Champions-Project Code 0783

Financial Champions-Project Code 0784

Teaches about needs and wants, money personalities, and values, goal-setting, communication, ways to use and save money, the benefits and drawbacks of credit, advertising influences, consumer decision making and how to select financial services.

Livestock Judging-Project Code 0292

Livestock judging allows 4-H members the opportunity for hands-on experiential learning. Members will view several sets of livestock classes and learn the basics of categorizing them appropriately. This project has value in the real world.

County projects are additional to those listed in the "4-H Clover" project magazine. County projects often have no supporting materials or project books. However, 4-Hers are encouraged to seek out resources and leaders who can help in the areas of interest to the 4-H member.

If a 4-Her is interested in a subject that is not listed as a Montana 4-H project or county project, they can enroll in the Self-Determined project. Please contact the Extension Office for more information on Self-Determined Projects.
