

Barley Workshop

Tuesday, February 14, 2012

Conrad, Montana - Pondera Shooting Sports Club

Directions: At stop light go west to Iowa turn left; at Baseball fields turn right on Granite, go 1 mile west

The Montana State University Extension and the institute of Barley and Malt Sciences have team up to offer current information on barley production in the upper Triangle region of Montana.

Experts from Montana State University, North Dakota State University, the USDA Risk Management Agency, malting and brewing companies, the National Barley Growers Association and Northern Broadcasting New System will contribute to this day-long workshop.

3 Private Applicator and 3 Commercial Pesticide Credits available.

The Barley Workshop is Free. Pre-Registration is required for the Lunch and Social Hour.

Contact Dan Picard at the MSU Pondera County Extension office at 406-271-4054 or dpicard@montana.edu to Pre-Register by Noon, February 13th.
