

2012 Fumigation Training Tour

The MSU Extension Pesticide Education Program and the Montana Department of Agriculture are offering 3 Fumigation Programs targeting pesticide applicators conducting rodent & structural fumigations. Each program will offer 6 private applicator recertification credits as well as 6 commercial / government applicator credits in the categories of Dealer, Demonstration/Research, Agricultural Vertebrate Pest Control, Industrial, Institutional, Structural & Health Pest Control, Seed Treatment and Grain Elevator Pest Control. Programs will be at:

** Glasgow on February 21st, Cottonwood Inn (45 1st Ave Northeast)*

** Lewistown on February 22nd, Eagles Club (124 West Main)*

** Conrad on February 23rd, Pondera Shooting Sports Complex (972 Granite Road)*

Limited space may be available so please register by contacting 'MSU PEP; ctharp@montana.edu; (406)994-5067' by February 15th. There will be a \$10 charge at the door.
